ORDER

KORMAN, J.:

On June 20, 2017, I denied Kevin Cheeks's petition for a writ of habeas corpus. ECF Doc. No. 12. Cheeks then filed a motion for reconsideration, which I granted. ECF Doc. No 14.

Upon reviewing the record and the parties' submissions, including Cheeks's reply memorandum, I again deny the petition for a writ of habeas corpus for the reasons stated in my June 20, 2017 order. I again decline to issue a certificate of appealability.
